BUY

Gastro-AD is a remarkable new product designed to address the discomfort of occasional indigestion. Unlike anything you have ever tried, Gastro-AD's unique formula, produced from the fermentation of soya by a specific strain of *Lactobacillus delbrueckii*, helps to support your digestive system and ease the occasional discomfort associated with a sour stomach. Extensively tested and backed by quality assurance, American Health's Gastro-AD is well suited for anyone seeking a digestive support product.
